A builder builded a temple;
He wrought with care and skill;—
Pillars and groins and arches
Were fashioned to meet his will;
And men said when they saw its beauty:
"It shall never know decay.
Great is thy skill, O Builder,
Thy fame shall endure for aye."

A teacher builded a temple;
She wrought with skill and care;—
Forming each pillar with patience,
Laying each stone with prayer.
None saw the unceasing effort;
None knew of the marvelous plan;
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple;—
Crumbled into the dust,—
Pillar and groin and arches
Food for consuming rust;
But the temple the teacher builded
Shall endure while the ages roll;—
For that beautiful, unseen temple
Was a child's immortal soul.

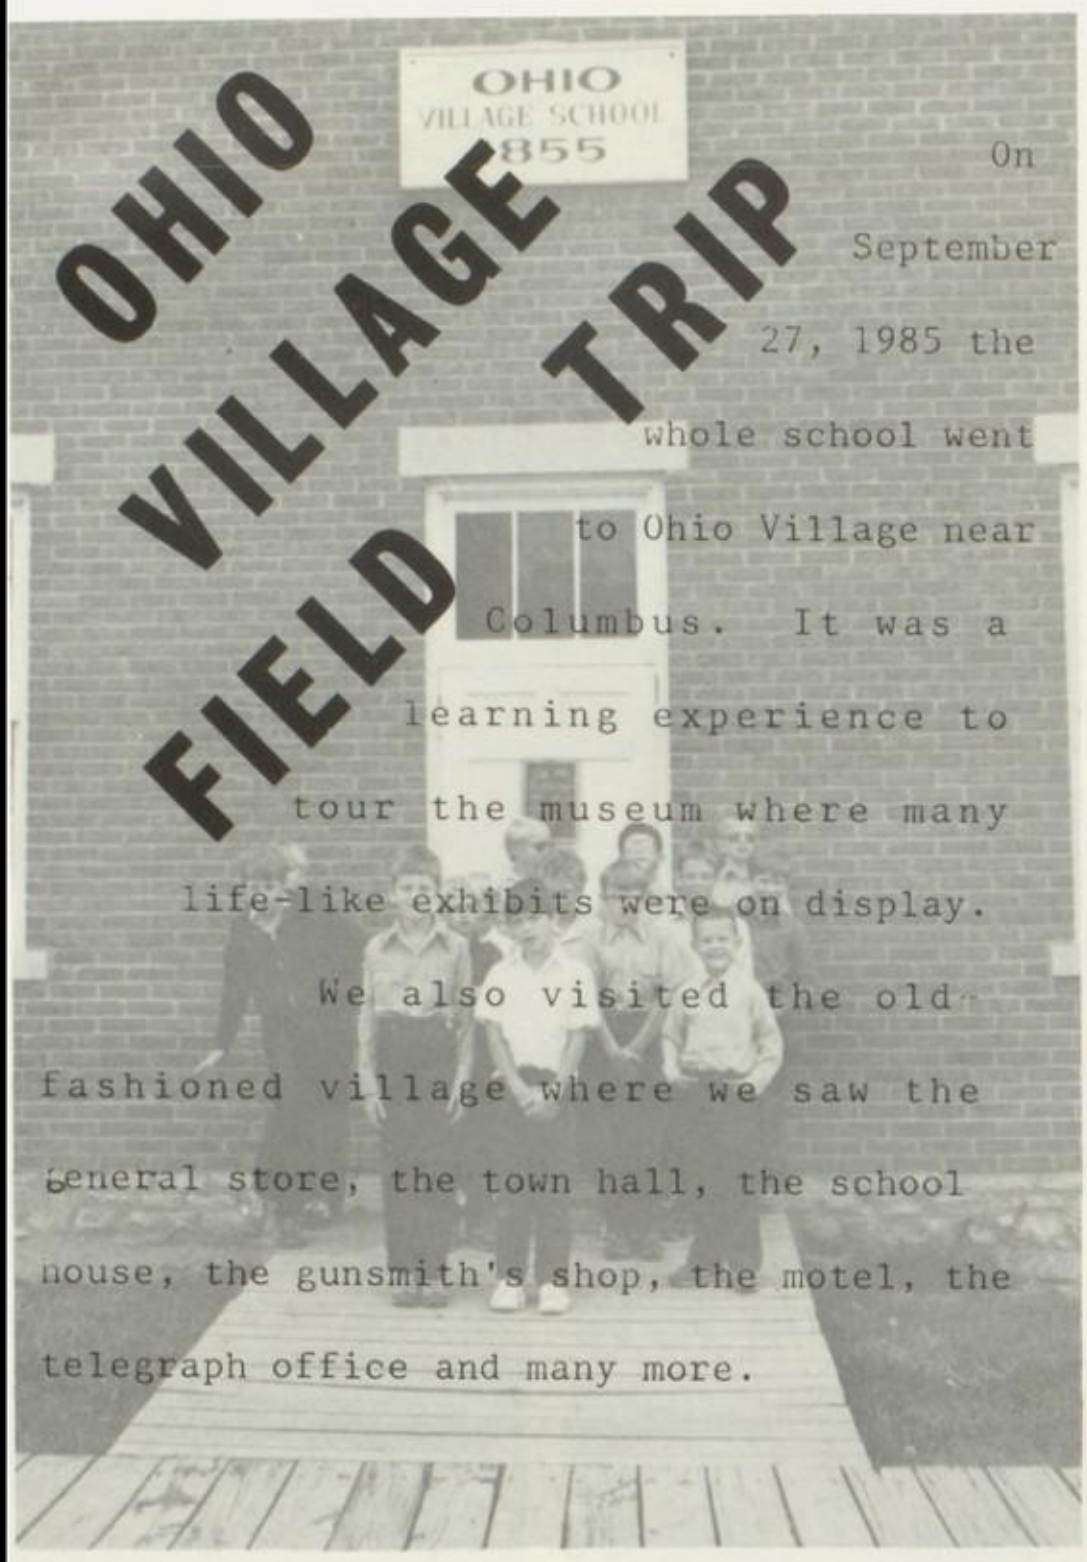
OHIO VILLAGE FIELD TRIP



On September 27, 1985 the whole school went to Ohio Village near Columbus. It was a learning experience to tour the museum where many life-like exhibits were on display. We also visited the old-fashioned village where we saw the general store, the town hall, the school house, the gunsmith's shop, the motel, the telegraph office and many more.

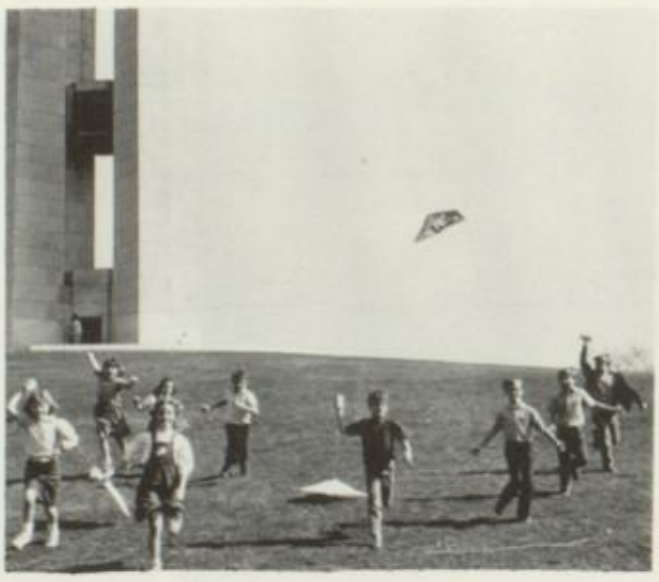
Miss Burns class visited Brukner Nature Center where they touched a skunk named Oreo. They took a "McDonald's" picnic to the Troy Park. After playing a while, an ice cream cone finished the day

Field



Miss Helmuth's class went to Deed's Carillon to fly kites. They just missed a robbery at the Museum of Natural History. McDonalds and Troy Park completed the day.

Mrs. Filbrun's class went to the Big Woods for their field trip. While taking a walk on the boardwalk they saw many flowers. After eating at McDonald's they played games at the Troy Park. What Fun!!

Trips

Mrs. Miller's class visited Dettmer Hospital. The children enjoyed seeing the newborn babies & the pathology department where autopsies are performed. At the Troy Daily News they enjoyed watching the press run.

On April 29, 1986 Our class went to Lynn, Indiana to help clean up tornado damage. The guys tore down a garage, while the girls painted garage doors. Mr. Schaurer treated us with ice cream cones on the way home.

FIELD TRIPS

On March 3, our class took a field trip to the airport and jail. At the airport, we boarded a plane. We went to the jail and toured their facilities. It was all very interesting.
